# Highlander Charter School Family Directory

Dear Highlander Families,

We will be putting together our Highlander Charter School Family Directory for the 2009-2010 school year. This will include all Highlander students by grade, teachers' names, parents' names, addresses, e-mails, and telephone numbers. This directory will help us in continuing to build the Highlander community and will be a useful tool for parents and students to communicate with one another.

If you do not want your address, e-mail, and/or phone number listed, please check (✓) below and return this form to the school's Administrative Office. **If we do not receive this form, we will assume that it is okay to list your child's information in the 2009-2010 Highlander Charter School Family Directory.**

Thank you!
